

President's Post:

Hi all,

Another season done and I must say that it is great to have all of last season closed out, enabling us to focus on the next 12 months. With over 60 people attending, the Christmas in July theme brought out a fantastic array of dress up and regardless of any rumours you heard the dancing snowman at the end of the night wasn't that funny and any videos have been digitally created!!

On a more serious note there a few changes to next year's Calendar of events (attached) and we have moved the Fishing Challenge to October to incorporate the successful Gone Fishing Day we ran last year. The entry form is also attached so book in early for the early bird prize you will receive a copy along with the entry form for this years Fishing Challenge

Tony McCallum

President
